Would You Like A Copy Of Sunday Service?

Some of you may wonder why most Sundays we have somebody, Henry or Ryan, recording the service. Well, we don't do it just for giggles. Did you know that you can borrow those disks and listen to the service again? And if you want your very own copy to keep forever, you can have one for a modest donation of only \$5.00. Talk to Henry after the service and let him know of your interest or contact the office and make a request and we'll see you get one.

Upcoming Sunday Service

"My Love Blows Over The Land"

Al Herring

Planet earth needs some loving. By caring for it, we care for ourselves and all other animals and plants that call it home because, as our Seventh Principle states, we need to have "Respect for the interdependent web of all existence of which we are a part."
